

Friday 31st January 2020

Dear Parents and Carers

I am writing to celebrate a number of the children's achievements in the last week and also provide some safety information.

Superb Behaviour

The children have demonstrated a number of brilliant examples of our three behaviours of fantastic walking, focused listening and kindness over the last week. On corridors, the children hold doors open, say thank to their peers and staff, they walk around school calmly and listen carefully to each other and staff. The children show care to each other when they are learning and on the playground. This means it is pleasure to be in school and the children are role models which we are extremely proud of in every year group.

Our school vision

This is our school vision.

The children remember our vision through the Kevin Smith story. He enjoyed the sea, he had the aspiration to be a sailor, he was positive because he responded to a call for help when he was not feeling well and he liked challenges as he tried to save others when the dangers to himself were enormous. In collective worship, the children have discussed this many times and are now reflecting on what this vision means in their day-to-day school lives.

Safety

Thank you to all the parents and family members who responded so helpfully to our text message yesterday asking that no child rides a bike or scooter on the school grounds. This is to keep all members of the school community safe at the beginning and end of each day. Myself and other staff will continue to monitor this in the playground and appreciate the excellent cooperation we have had so far.

Breakfast club

Our school Breakfast Club runs as a self funding organisation and without weekly payments for this provision school finds it increasingly difficult to provide resources. Can we please ask if you use the Breakfast Club service that the payment of £2.00 per day is made within the same week.

Yours sincerely

Paul Beevor
Headteacher
